Snow Frills, Eddie's Masterpiece, Martelle, Super Duper and Gay 90s. I have a few plants of most other varieties. Better ask first or list substitutes when ordering.

READ CAREFULLY BEFORE ORDERING

I will replace leaves and plants that do not reach you in good condition, if notified immediately. I cannot be responsible for what happens after you receive them, however, as I have no control over their growing conditions there. If you lose leaves through propagation (not my fault) I will be glad to replace them free with future orders.

Rooted cuttings will have small plantlets - some ready to separate - whenever possible.

However, some grow faster than others - and some sell faster, especially the newest varieties. So it isn't always possible to have cuttings with plantlets in all varieties. If I am out of a variety you order, I will either send a well rooted cutting without plantlets or another variety of equal or higher price. Please list a few extras. I will not substitute unless absolutely necessary. If you do not wish a substitute, say so and I will hold your order until it can be filled or return your money if you wish.

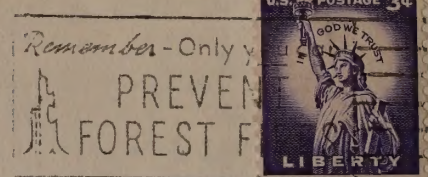

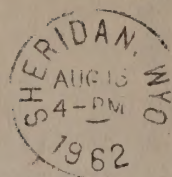

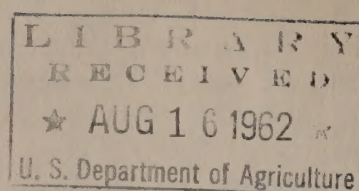

Include 65¢ with all orders west of the Mississippi, and 85¢ with all orders east of the Mississippi to help in packing and postage cost.

If you wish your order acknowledged, please enclose a self addressed postal card.

I will start shipping about Sept. 15th. I send all orders "Special Handling" and insured unless you request otherwise. Air Mail and Special Delivery are extra on all orders.

My plants are state inspected and declared free from diseases and insects. Come and see them when you are in Sheridan. Please call first. My phone number is 674-7317. I sell blooming plants in my home.
